

# Aneka Infra Private Limited

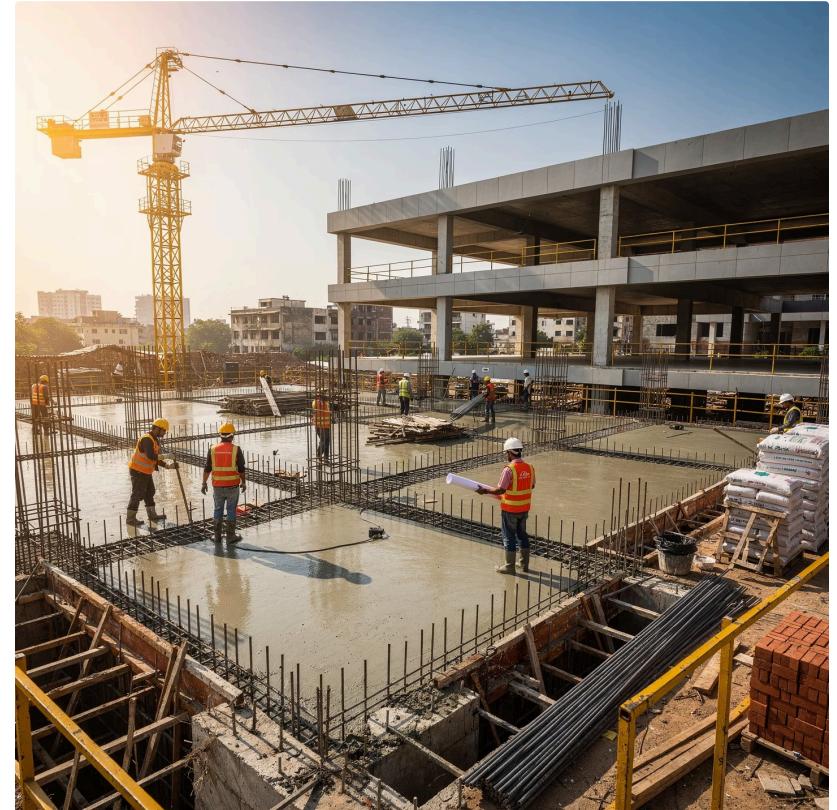

Building with Experience. Delivering with Trust.

# About Aneka Infra Private Limited

Aneka Infra Private Limited is a professionally managed Civil Construction and Interior Fit-Out company delivering high-quality solutions across infrastructure, residential, commercial, institutional, industrial, and interior projects throughout India.

Although newly established as an organization, the company is backed by strong leadership with more than 15 years of proven industry experience. We follow a structured, quality-driven, and safety-focused approach to ensure timely delivery and long-term client satisfaction.

Our commitment to excellence is reflected in every project we undertake, from government institutions to corporate interiors, building lasting relationships based on trust and transparency.

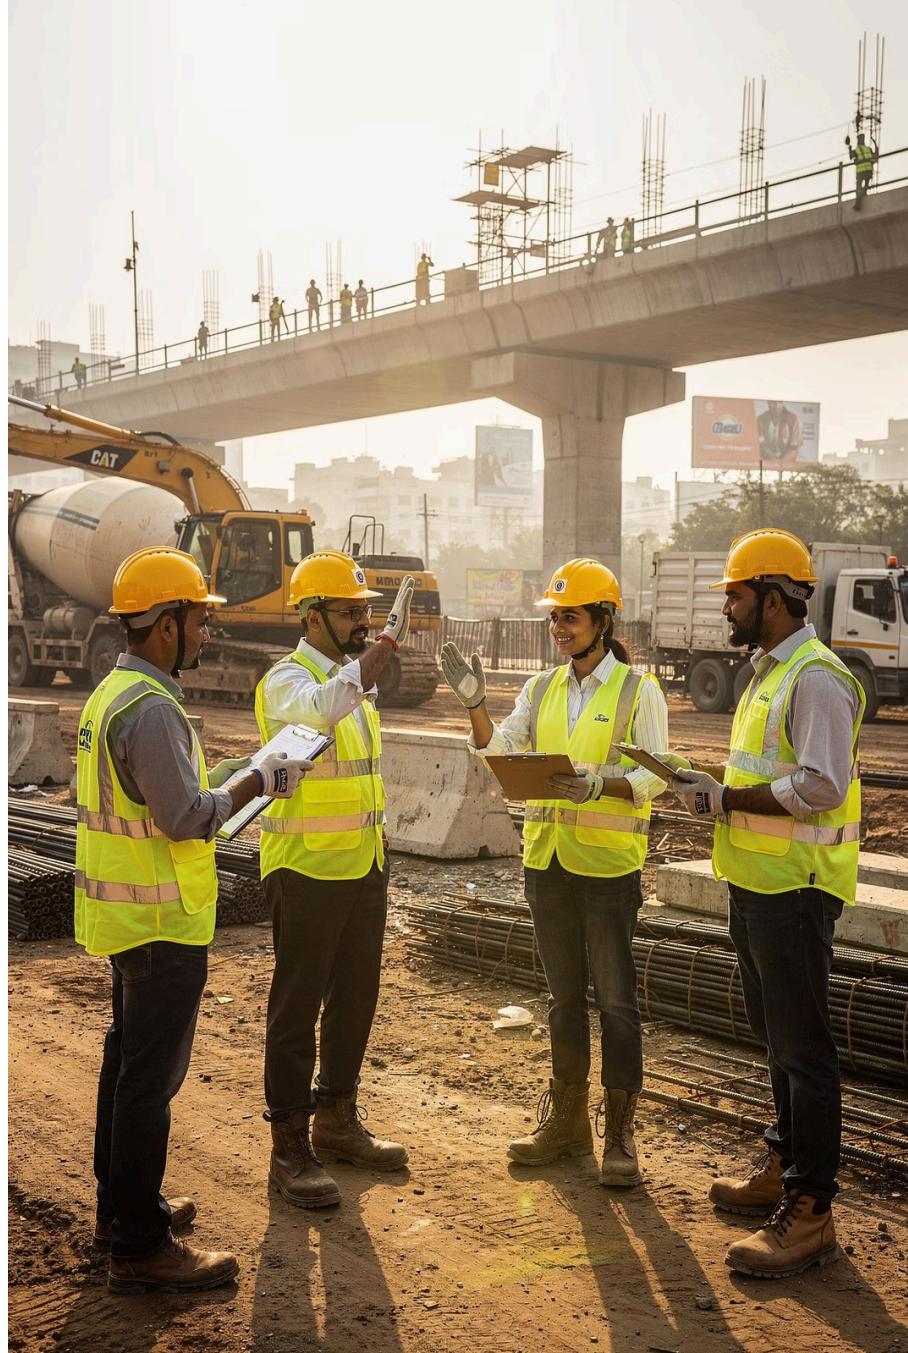

# Our Vision & Mission

## Vision

To become a trusted and reliable construction partner by delivering sustainable, high-quality, and cost-effective construction and interior solutions across India.

## Mission

- Execute projects with strict adherence to quality and safety standards
- Deliver projects within committed timelines and budgets
- Build long-term relationships based on trust and transparency
- Continuously adopt best engineering practices and modern construction methodologies

# Proven Leadership & Experience
